Letterer ▬ A Multitude of Marvel Titles.
Marvel freelance credits (past): HULK, IRON MAN, MADBALLS, ALPHA FLIGHT, THE THING, SPIDER-MAN and HULK newspaper strips, EPIC ILLUSTRATED.
Marvel freelance credits (present): SPIDER-MAN, G.I. JOE, ALF.
My hobbies are: Bird watching, butterfly collecting, driving steam locomotives at full throttle across trackless wastes.
The single work of which I ▬ most proud is: My five year stint in the Marvel Bullpen.
My pet peeves are: Lateness, graffitti, litterbugs and lousy drivers.
My place of birth is: Approximately five hundred miles south of Savannah, Georgia.
My greatest accomplishment outside ▬ comics field is: Securing the undying love and affection of my darling wife Amo.
My oddest habit is: Sleep-jogging.
If they were making a movie ▬ my life, I'd like to ▬ my part played by: Will Wheaton and George Carlin.

The ▬▬'t got into comics ▬▬: Danny Crespi taught me to letter and Sid Jacobson gave me work.
People who knew me in High School thought I was: A wise-cracking punk who drew lots of "funny pictures."
▬ favorite performers ▬▬: Ravi Shankar, Joan Baez, Bob Dylan, Garrison Keillor.
The last good book I read was: "Anomalies and Curiosities of Modern Medicine."
The ▬ good movie I saw was: "Stand By Me."
The biggest influences on my work include: Kliban, Elder, Wilson, Wood, Adams, Kurtzman, Davis, Engels, Herriman, Berg, Woodbridge, Crumb, Shelton, Salicrup, Steinberg and Schwartzberg. (Special thanks to Mom, Dad and Captain Kangaroo.)
My greatest unfulfilled ambition in ▬ comics field is: To get Jack Abel to finish inking ▬ page I drew for him over five years ago.
The worst part of my job is: Getting rid of the bodies.
When nobody's looking I like to: Sneak into editors' offices and ▬▬ entire issues of John Byrne art.
The one thing I really want ▬ world to know ▬▬ is: "You see that guy ▬▬ there . . .? He used to letter PRINCE VALIANT!"

Dear CARE BEARS,

We would be interested in reading some stories about Grams Bear when she was younger. I am 30. Evelyn (my daughter) is 8 years old, and Kenny is four. We enjoy reading CARE BEARS comics, and appreciate the fact that they are written with the stress on emotions (positively), and non-violently.

As long as we're asking, do you have a procedure for new story ideas? We make up some of our own, and perhaps you would be interested.

Lisa Anneberg
Dearborn, MI

Thanks for the letter, Lisa. (And a hearty hello to Evelyn and Kenny, too!)

Sometimes we do get suggestions from readers, and try to use them in stories. More frequently, though, we let our caring creators write what they wish--and we haven't been disappointed yet!

But, please, continue making up your own Care Bear stories. There's no reason why caring should stop just 'cause you finished this month's issue!

Dear CARE BEARS,

I like the Care Bears, and it may come as a surprise that my name is Michael, and I am fourteen years old.

I like the Bears, and my favorite characters are Grumpy and Tenderheart. I've seen just about every show made, all three movies, and comic issues #1, 2, 5, 9, 10, and 11-16. I read the letter that Heather Violet Eichholz wrote, and I think I can relate to it. I know that right now, she needs a friend the most.

I have an idea. Why not create a comic for the Care Bear Cousins?

Oh, before I forget, is there any way to order a British comic like ACORN GREEN?

Michael L. Underwood
Ft. Wayne, IN

P.S. Why did you discontinue FRAGGLE ROCK and then reissue it?

Surprised? No, we're never surprised to hear Care Bears have made all sorts of new friends! That's just the kind of Bears they are.

And your idea is a good one. So far, we don't have anything in the works for the Cousins, but chances are good they'll pop up in the regular comic before too long.

As for ACORN GREEN...that comic just happens to be published by our publishing cousins in England! We don't handle subscriptions for them here, but you could try writing to see if they handle overseas subscriptions. The address is:
MARVEL UK LTD.
Arundel House
13-15 Arundel Street
London Wc2R3ED
ENGLAND

(By the way, you're very observant, Michael, to keep track of all those FRAGGLE ROCK issues. We re-issued the comic when the all-new cartoon series started last fall. Can't have too much of a good thing, don't you agree?)

Dear STAR Comics,

Is there a Care Bear out there to represent the attitude or feeling of Heavy Metal?

Bryan B. Akin
Timber Lake, OR

Nope, no Heavy Metal bears yet--though we have been a few light plastic ones! (Much easier to pick up and hug, you know.)

Of course, that's not to say the Bears don't enjoy a bit of rock 'n roll now and then. Music is always a fine way to let your feelings out...unless, of course, your parents find the noise un-*bear*-able!

Dear CARE BEARS,

All of the Care Bears are my favorites. I could never wait to get the next issue, and the next!

I like the adventures, and the Bear Facts, too. It's nice to see what people talk about and how much they care to write a letter. I care, too, so that's why I'm writing this letter!

I also like how the CARE BEARS are drawn. I liked "The Disappearing Town" [#8], especially when the Bears did their stare and made the evil litter can be nice. I know that sounds funny, but I still care!

Sarah Seel
Bethel Park, PA

Since you showed us how much you care, we decided to show everyone else, too! Write again soon, Sarah!

Dear CARE BEARS,

I am five years old. I love, love, love those Care Bears!

My favorite Care Bear is Love-A-Lot, and my favorite Care Bear Cousin is Gentle-Heart Lamb (baa-baa).

I have a brother named Shannon, and he is 11 years old. My mom and dad, and sometimes my brother, read me the CARE BEARS comics. I would love to visit Care-A-Lot. I even dream of it sometimes!

I really liked CARE BEARS #16 ["The Uncouth Tooth Fairy"], especially the cover. I have my first tooth, too, just like Baby Tugs does!

Stephanie C. Short
Labrador City, Newfoundland

P.S. My mother is writing this letter for me, but I am telling her what to say.

We *thought* your handwriting was awfully advanced for five years old, Stephanie! What a nice mom! Thanks for writing--both of you!

To All Care Bears:

I am nine years old. I saw your movie. It was fresh!

I like your song, because it gets deep inside me, and then I feel happy.

I like Grams Bear the best because she takes care of the baby bears and makes good pies. I like it when Grams Bear punishes the bad guys!

Howard Jason Weiss
Brooklyn, NY

It's tough to read much of a caring letter like that! Thanks, Howard. We're glad you care, and glad you shared, too. (Though, frankly, we're not too surprised--after all, that's what Care Bears are all about!)

Dear CARE BEARS,

I've got a subscription to your comics. They're good! I liked the one about the Who-Cares Bears [#11].

I like CARE BEARS, because I like all the adventures!

Emily Sinnott
Utica, NY

You know, Emily, your letter brings up a good point. Caring is a very good thing--no doubt about it--but sometimes it helps to see how caring works in action. CARE BEARS comics can help, showing all the good ways to put caring into use, and how much fun it can be!

That's how you learn to create your own caring adventures...for real life!

Dear CARE BEARS,

I love CARE BEARS comics, but I only have one, because I didn't know till recently there was such a thing!

I don't know how you care so much. You're always there when people need you. I care, too, but I don't think I could ever care like you do. You're really funny, too!

I hope you keep up the caring work, and if you do, I will, too!

Tara Taff
Huntington, NY

Agreed! (And don't get discouraged before you even start, Tara. When you really start to care, everything gets better and better!)

Dear STAR Comics,

I've been enjoying the CARE BEARS series ever since it started two years ago. I was a recluse at high school back then, and I really needed someone to care for me. Hence, knowing how it feels to need T.L.C., I could relate to that friend of Heather Eichholz (see Bear Facts, issue #16).

Here's my advice: don't stop being a friend to that girl. In fact, if you're her only friend, you should try to be the best friend possible. Do a 125% job to bring more of Care-A-Lot to Earth!

You know, when I have the CARE BEARS comic, I feel that I have the owner's manual on relationships.

Keep up the good work!

David Gonterman
Granite, IL

Sounds like good advice, David.

In fact, your recommendation could do us all a bit of good. Probably every one of us knows someone who isn't very popular--wouldn't it be great if we could all reach out and show we cared?
